Conditions of registration

1. The registered entity shall fulfil its Extended Producer Responsibility targets for each financial year by procuring recycling certificates and other end-of-life evidence from registered processors. 2. An annual return shall be filed on the portal on or before 30th June following the end of the financial year. 3. Declared quantities shall be revised on the portal whenever production changes by more than ten per cent. 4. This registration may be suspended if returns are not filed or quantities are found to be misdeclared.

This certificate is generated electronically and is valid without a physical signature. Verify the registration number on the portal before relying on this copy.
